

Donors Appreciation Dinner & Presentation of our 2009 HKSAF Scholars -10/24/2009 at Lakeside Golf Club

Thanks to dinner sponsors, Newman & Johnathon Arndt, 120 guests had a memorable evening at Lakeside Golf Club on the occasion of our Donors Appreciation Dinner in honor of Gold Level Donor, Ms. Grace Chew.

Champagne, gourmet food, good wine, live music and the elegant setting all contributed to the success of the event. Our 2009/10 HKSAF scholars, Chris Yin-Chung Leung from Princeton University and Alberta Nim-Ying Ngan of MIT, entertained our guests with their talents at the piano and Erhu respectively. We were also pleased to meet Caecilia Chu, our 2002/03 scholar, again and to be able to share her experiences.

With the support and generosity of many friends and donors, we have been able to offer educational opportunities to many outstanding students from Hong Kong as well as from California. Every gift, of any size, is an expression of your confidence in us. Please make a tax-deductible contribution to our scholarship funds or include our scholarship foundation in your donation budget this year.

14th Annual Xmas Charity Ball - 12/05/2009 at Hilton Los Angeles/San Gabriel

Many still remembered HKSAF's highly popular 2007 entertainment production, "Legend of the Stars". The legend came back as "Return of the Legends" at our 2009 annual Christmas Ball, and was an instant hit again. The numerous hours of practice and rehearsal brought out hidden talents of the performers and the program drew long and loud applause.

If you miss the amazing entertainments in the past years, do join us this year. We guarantee lots of fun.

The evening was full of fun and festivity with a magic show, lantern puzzles, karaoke and raffle. Guests literally did not want to leave when the program ended at 10 pm. We were so encouraged.
